NORWEGIAN PIANIST TO AID FAIRFIELD RED CROSS BRANCH

A piano recital will be given by Christian Schiott, the Norwegian pianist, in the Pequot library, Southport, at 3 p. m., Saturday, Sept. 23, for the benefit of the Fairfield chapter of the American Red Cross for foreign war relief.

Mr. Schiott studied under the great Norwegian pianist, Martin Knutzen. He played in public for the first time when eight years old, and at 12 years of age he played a Mendelssohn concerto with the orchestra. He studied later in Berlin under Prof. Conrad, Scharwenka and others. During the last six or seven years he has been a teacher of piano besides giving a great deal of vocal culture, assisting artists in interpretation. He is now located in New York where he has a studio.

To quote from critics: "Mr. Schiott has a touch of rare beauty, now full, manly and powerful, now appealing and exquisite in technique is splendid; he masters the most difficult things and delights himself with the most delicate passages."

"Mr. Schiott makes a charming and cultural impression and one can easily understand that he is already a greatly sought teacher. He has reached a great height of technique and plays a beautiful trill, especially with his left hand."

"Mr. Schiott proved to be an artist of fine appreciation. His touch is soft and insinuating; his rendering intelligent and musical. In technique Mr. Schiott is entirely superior."

Tickets may be had from Mrs. Henry Glover of Fairfield, and Miss Ruth C. Holman of Southport.
